The Perfect Fit!

Gone are the days of needing a specific slope gradient to be able to install an embankment slide. Playdale's NEW Versatile Embankment Slide will fit gradients and heights of most existing banks or mounds.

You can't beat the thrill of whizzing down a slide followed by the fantastic feeling when you land at the bottom! Slides make children squeal with joy and gives them a sense of speed and danger. Slides are a playground favourite for children of all ages.
